4) Forest Schools - **years 5 and 6** please make sure your child has their forest school kit in school ready for the days when they do this activity.

**Years 3 and 4** - group 1 will be doing forest schools until February half term and group 2 will be doing it after half term (the children know which group they are in). Please make sure you include plenty of warm layers and a coat as it gets very cold out there!

5) Please can parents walk on the concrete paths around the school site and not the grass/field as we are finding lots of mud being brought into school. We have mentioned this to the children too.

6) Reminder - **years 1 - 6**, sponsor money (athlete visit) deadline is Thursday 17th January please.

7) Dance and Drama - please see attached [flyer](#) for a new dance and drama group started up in the village which is run by one of our parents.

8) We have a black NEXT coat age 7 years in school which is unnamed. If this belongs to your child please contact the school office.

9) **Year 1 and 2** - after school football starts on Monday 14th January. All parents who returned the form have been informed via email earlier today whether their child has a place.
