SPRING UPDATE

March 2018

Christmas fayre

Thank you to all who supported the Christmas Fayre on Friday 1st December, we raised a fantastic £2,650. Highlights included a visit to Santa in his Yurt Grotto & fantastic performances from children in Years..... A huge thank you is due to PTA members who organised the event in a very short time & in particular to our brilliant teachers for organising amazing events in classrooms.

So far this year the PTA have funded:

A Christmas present for each class of £50-these consisted of board games, books, construction sets etc

Subsidies for trips

The creating of a reflection garden including teaching sessions about wildlife from Wildwood.

The PTA are now keen to help the school refresh and extend its provision for ICT

Laptops for Learning

Our Laptops for Learning entry in the Aviva Community Fund got an amazing 3,493 votes, thank you to everyone who voted & for spreading the word. We were up against stiff competition & unfortunately did not win, however we have received £500 for reaching the final.

Replacing laptops in classrooms to ensure technology is a seamlessly integrated part of children's learning is a key fundraising priority for the PTA this year.

Disco

Children enjoyed throwing some shapes on the dance floor at the school disco on Thursday 8th February. Thank to you all who supported & helped with the event, which raised £545

Employer donations

3 PTA members received a fantastic £250 donation each from their employer Aviva for their support for the Christmas Fayre as part of an Employee Charity Matching Scheme.

We are always very grateful for support from parents. If your employer runs a similar scheme you could have the opportunity to turbo-charge any support you give to the PTA

Forthcoming events

Your PTA needs you!

The PTA provides a vital role to support the school in ensuring that our children have the best education they can. School budgets are under continual pressure & the PTA is a way of boosting & extending that core funding. We are reliant upon parent support for everything that we do.

We warmly welcome new members, we understand all parents have busy lives & we appreciate any support that you can give, we encourage everyone to play to their strengths & help where they can.
