

Dear Parent/Carer,

Mrs Theobald has been out of school since Wednesday so if you have emailed and not had a response, this is the reason why. She will get back to you as soon as she can after Monday.

We have been made aware that there are several families in school who are currently coping with a cancer diagnosis. In light of this we have arranged for a specialist from The Big C to come into school and support the children of these families using some very carefully prepared resources which are appropriate for their age range. We will not invite any child to join this group without your consent as we know there are families where the child is unaware of the illness. If you feel that this is a resource you would like your child to access please email the office.

We have noticed that some children are arriving at school very early in the morning and waiting on the playground without supervision.

**Children should not arrive at school before 8:40am.**

We would like to let you know that we will be running a Holiday Club during the first week of the Easter holidays (8th-12th April) and also in the Summer holidays (Thursday 25th July - Friday 2nd August). Set Your Sights will be running a sport and a drama holiday club in the summer (5th - 9th August, 10.30am - 3.30pm). More details to follow.

Please see attached [flyer](#) regarding MyClothing who are taking over Tesco Embroidery Services for our school logo products. Everything remains the same, nothing has changed except the name. You can still order from Tesco until Tuesday 12th February. All information regarding the change can be found [here](#).
