

Dear Parent/Carer,

We've had a positive start to the new term; a great week with lots of learning. At the end of Sports Day, we plan to physically move the YURT - are there any volunteers to help with this? If so, please let the school office know.

It's lovely to see the children coming to school on their scooters, however, we are having a large number left overnight and some children are going home on other people's scooter. Please ensure that you collect your own child's scooter at the end of each day. Please remind your child that they should not be riding their scooter or their bikes on the school grounds. Thank you.

I am aware that the uniform groups have been collecting litter around the village this week which is wonderful. We were very pleased to hear that George Smith and his brother Samson have also chosen to collect litter this week, they filled a carrier bag each (they ran out of room in their bags before they could really finish). They are very proud of their work and want to share it with everyone so look out for the photograph on our website under 'Events'.

Year 2 - Music and Movement workshop letter has been emailed, a copy can be found on our website [here](#).

New reception parents (September 2019) - If you already have a child at the school, please look out for a brown envelope coming home today with paperwork including an invitation to a meeting for parents on Monday 24th June. **Please return relevant documents as soon as possible and no later than Friday 17th May.**

As per last week's newsletter, please make sure if you need to contact a member of staff you do not email them direct but do so via the school office who will forward it on and respond within 24 hours

Message from the PTA -

Hi Everyone, now that the Summer Term is upon us, we are busy preparing for the Summer Fayre, there are lots of exciting things being organised, but this week we are looking for inspiration from you on finding great raffle prizes.

We are using all of our contacts to seek out great prizes, but would love to hear from you - do you work for a company that donate prizes to local charities or maybe you have ideas that we can follow up on? Any input from you would be greatly appreciated.

If you do have any ideas or input, then either contact us via

- email @ pta@mulbartonprimary.norfolk.sch.uk,
- Our Facebook page (Mulbarton Primary School Parent And Teacher Association)

- *or talk to one of the PTA team in the playground at drop off/pickup (Adam Barber who is on the PTA team does drop offs to the Year 2 Dolphins class room)*

We look forward to hear from you.

Please see [poster](#) advertising a free family fun day at Barton Turf Adventure Centre on Sunday 12th May, 11-4pm.
