

Dear Parent/Carer,

Welcome back to our last half term - where has the year gone! During this half term we have a number of exciting events planned as well as trips out. Thank you for your financial support of all we arrange - we really could not do it without you. Please keep an eye on the newsletter and the class/year blogs to ensure you don't miss out on anything. This half term we will be inviting you to a writing cafe - the dates are on the website and can be found [here](#). The children will also be involved in a number of transition events to ensure their move into the next year of school is as smooth as we can make it.

Next week we have the school Summer Fair at which all children will be participating. Please do come along and support the PTA as they raise funds to update our libraries with new books and equipment. If you are able to help (however small) on the day, please

email: [PTA@mulbartonprimary.norfolk.sch.uk](mailto:PTA@mulbartonprimary.norfolk.sch.uk). The PTA also have a new Instagram page, please follow them for all the latest news! Find us @mulbpta. Thank you for the tombola contributions today. A number of children mentioned they had not brought anything in. Please feel free to send us a contribution on Monday. We are particularly short of sweets and chocolates! Further to our email sent out earlier in the week, please note there will NOT be a non-uniform day next Friday (14<sup>th</sup>) but we still need donations of plants and/or cakes on this day for the Fair.

Next Friday is also Norfolk Welcomes Refugees Day, which we will be celebrating with the children through activities in class - look out for a display at the Fair which will give you more information.

Congratulations to two Year 6 boys - Daniel Kaszczak and Lloyd Slaughter, who recently represented Norfolk as part of the Under 11 Boys' County Basketball squad, competing against four other counties. Both boys had to trial against a high number of other boys in their age group to be selected for the final squad, and the head coach has written to us praising and congratulating the boys on their achievement and commitment. We are very

proud of them!

On Monday we will be having class photos taken, they will be for sale in due course.

Please look out for a school email via Pupil Asset this afternoon containing important information regarding the Royal Norfolk Show trip.

**After school club parents** - if your child is booked into after school club but you have made other arrangements and therefore not attending that day, please send a text to 07982 744673 and the message will be picked up at 3pm. This is to avoid the after school club staff looking for children who have left the school premises.

Museum Open Day 389th Bomb Group - Sunday 9th June, 10.00am to 4.00pm, Potash Lane, Hethel. If you are interested in local history and WW2 history, go along to see this fascinating and well stocked local museum, packed with many exhibits from WW2, it's well worth a visit! The open day also includes military vehicles and bikes, classic cars, military stalls, British Legion, Harley Davidson club, Norwich Pipe Band, re-enactment group in full WW2 uniforms, recruitment representatives. Refreshments and a burger van also available. Follow the signs to visit this amazing museum tucked away in the Norfolk countryside.

[Open Farm Sunday](#) - is taking place on Sunday 9th June, 11am - 4.30pm.

Please find attached a new [Summer Survival Guide for 2019](#). This provides activities and events for children and adults throughout the summer holidays in Norwich and the surrounding areas. These include festivals, planned days out, workshops, summer clubs, rainy day activities and also budget friendly family meal deals. We have tried to provide as much variety as possible for all age groups and interests, from free events to paid.

Kind regards

Mrs Bev Theobald

Headteacher
