

This curriculum map provides an overview of what your child will be learning across the curriculum this half term. Wherever possible learning will be linked to our focus topic - Road Trip USA

In Year 4 as **readers and writers**, we will be reading 'One Plastic Bag', a real life story about recycling.

We will have dedicated spelling sessions per week, as well as practising handwriting, grammar and punctuation.

As **scientists** we will continue to find out about electricity.

As **Geographers** we will be using World and U.S. maps and examining human and physical geography.

As **mathematicians** we will be developing our understanding of time, statistics and geometry - the properties of shape.

Each week we will practise counting and multiplication tables.

As **musicians** we will be exploring rhythm and looking at traditional and cultural music.

As **designers** we will be designing and making dream catchers and totem poles

In **computing** lessons we will be developing our skills of effective online research.

In **PE** lessons we will be practising our athletics skills.

In **RE**, we will be continuing to think about how the world came to be?

In **PSHE** we will continue to follow the **PATHS** programme.

Every Thursday morning we have **activities**:
Forest Schools
