

Dear Parent/Carer,

We continue to have a lovely, calm school with superb learning taking place. Thank you all for your support with the things we have planned for this term, please check our [diary dates](#) page on our website for up to date information. Also, copies of trip letters will be on the Events tab under the 'Parents' section of the website.

It has come to my attention that there is some confusion around our 'dogs on site policy'. Please be aware that **only assistance dogs** are permitted. No other dogs are allowed on site regardless of whether they are being carried or not.

I have been made aware of a useful website which has numerous tools and information regarding issues such as: after school outbursts, how to help with homework, ADHD and lots more. Please click on the link below if you would like to find out more:

['Understood for learning and attention issues'](#)

All parents - Schools Childhood Flu Immunisation Programme. Please look out for information coming out via email later today regarding this. The NHS have introduced an online system for consent and the letter gives all the details you need on what to do. Please see our website page [here](#) for further information.

Lower School parents - snack packs show as a lunch option on Wisepay however, they are only available to upper school children (year 3 - 6) so please **do not** order these.

Extended Schools parents - their phone number is 07982 744673. Also, please make sure you are aware (and have read) our [Extended Schools policy](#)

All parents - please read our Fixed penalty notice [letter](#)

Kind regards

Mrs Bev Theobald
