

Dear Parent/Carer,

Thank you for your support over this last year and all the lovely messages we have received at school. We are looking forward to finishing on Tuesday and we hope you have a great summer break.

With September in mind, we have been working on the logistics of this, so please find [here](#) a letter explaining all you need to know for September. If you have any questions about this, please email the office only (office@mulbartonprimary.norfolk.sch.uk) and we will try and pick them up during the summer break.

You should have by now all received the transition PowerPoint presentations of what your child's new year group will look like. These can also be found on our website [here](#)

Last week we directed you to the Norfolk site for childcare over the summer holidays. The Norfolk Community Directory can be found here if you missed it - <https://communitydirectory.norfolk.gov.uk/>

Extended Schools - from the start of the new academic year (7th September) we will be running the Extended Schools provision for all school year groups except the new Reception Intake. Due to the phased transition for the new Reception children, attendance should be agreed directly with the School on an individual basis.

With current Covid-19 guidance in relation to transmission risk, the After School Club snack provided will be a piece of fruit that can be offered, chosen and served. If you would like your child to have anything more, please provide it by sending the additional snacks (nut free) into school with your child. Breakfast Club will be providing a served breakfast.

Invoices for September attendance will be emailed to parents shortly, for payment in August. If you made a payment in April then this will be offset as a credit against the bill.

PTA - If any of you would like to donate to our PTA, please do so via their [GoFund Me](#) page. As we've missed out on some big fundraising opportunities due to the current pandemic we would really appreciate it if you could spare a small amount to help the school.

This week's Wonderful Learners are:

Hedgehogs - Elijah Bonnet for always being focused and ready to learn.

Squirrels - Rupert Hill for always working collaboratively and listening to his friends.

Caterpillars - Adam Bidwell for having a fantastic attitude to learning and always trying his best.

Ladybirds - Freddie Lungley for his consistent effort with his home learning activities.

Dolphins - Jake O'Reilly for his amazing dragon description and for always producing fantastic home learning.

Whales - Jowen Downing for fantastic effort with all tasks and a positive attitude to home learning during lockdown.

Barn Owls - Chiara Barber for great reading and extending her learning by finding tasks linked to our topic.

Kestrels - Holly and Matthew Goldspink for such amazing home learning and dedication to complete work to a high standard.

Peregrines - Annabelle Johnstone for demonstrating resilience and creativity in her writing.

Giraffes - Megan Banyard for writing a super Beowulf story.

Lions - Imogen Derrett for her brilliant retelling of the Beowulf story.

Penguins - Mia Barrett for her excellent levels of focus over the last half term.

Polar Bears - Maisie Appleton for creating a fantastic fairground ride.

Just Sing – Years 1-6

Norfolk Music Service have shared an exciting new resource - 'Just Sing' - to keep you and your families singing over the summer holidays! "Whether you sing the song, make a video or create some artwork, we'd love it if you let us know how you brought the song to life!" said Alex the composer. "Your response doesn't have to be musical – so get creative in any medium you enjoy!"

With your parents' permission, please do share your creative responses via Norfolk Music Hub social media on either Twitter, Facebook or Instagram using #JustSing2020

Access the 'Just Sing' resources using your Charanga YUMU login details (that you received earlier this term) via the following link, then click on the 'Assignments' icon: <https://www.norfolkmusichub.org.uk/site/logins/students-log-in>

Virtual Norfolk School games challenges

Thank you to all the children who took part in the Norfolk School Games Virtual Challenges during the period of school closures. We were one of the top 3 schools to have the most pupils participate in the golf challenge.

Norwich SSP will be celebrating the success of the rainbow run by sharing compilations videos next week. You can find all videos from the virtual games on our YouTube channel-
