

Dear Parent/Carer,

I have been very impressed with the children's resilience this week as they transitioned to their new classes. They moved quietly around the school and have been very positive about the 3 days. Thank you to the staff who have ensured that the children have had a lovely experience.

Thank you to all of you who attended our parent's evenings and for your positive comments. Again, I would like to thank the teachers for their commitment to meeting with you and producing a short report for you to take away.

It has been lovely this week to meet our new reception children and their parents at the woodland visits. We are looking forward to welcoming them in September.

In line with some other Norfolk schools, if your child is a football fan and going to be staying up on Sunday to watch the Euro final, let them stay in bed a bit longer on Monday morning and bring them into school by 10am. We would rather have children rested and in school ready to learn rather than absent all day or tired. School will still start at normal time but children won't be marked as late. It is 55 years since England reached a major football final so let them watch, talk about the importance of the National Anthem, talk about pride and resilience and possibly disappointment. This is a learning opportunity. If your child does come in between 9 and 10am please send them into school via the office as the other gates will be locked at the usual time.

We have been asked to make you aware of the service being offered by [Paddy Venner](#) who is a life coach and works with children in our school.

The English Hub have created a helpful guide for schools, parents and carers to engage children with reading during the Summer holidays. Please click on the booklet [here](#) for more information.

I hope you all have a lovely weekend.

Bev Theobald

Head Teacher
