

Dear Parent/Carer,

Welcome back to a new term and year. What a superb week we have had. The sun has shone and the children have returned happy and eager to learn. Thank you for continuing to support us with our safety measures and for your understanding when things haven't gone exactly as planned. Just a few things to share with you today:

Miss Savory has had an operation this week and will be off school for most of this half term. I am sure you will join with us in wishing her a speedy recovery.

Sunhats, wellies and coats need to be in school everyday - please remember to name them.

Library books - we have cleared out a lot of books from the lower school library which we are offering for sale at 10p each. These will be out on the lower school playground from today.

Please be aware that the gates open at 8.40am in the morning but that you have until 9.00am to enter school. Your child may use any gate except reception children who need to come down by the doctor's surgery.

Collection - hopefully you are now aware of collection arrangements but if not please do ask.

Foodbank harvest assembly - we will be holding a foodbank assembly on Friday 24th September. Please donate any non-perishable items and bring to school during the week beginning 20th September.

Please see letter below with information from Norfolk County Council regarding attendance at school and legal intervention.

[NCC legal intervention letter](#)

Online safety - Norfolk Police have asked us to let you know that their [parent and carers website](#) has been recently updated and provides advice and guidance on a number of topics such as sharing images, social media, livestreaming, gaming and more.

A new exercise class is starting on Monday evenings in the school hall. An energetic circuits class, for a total body workout - suitable for all abilities. For more information on how to book, please see [poster](#).

Have a lovely weekend.

Bev Theobald  
Head Teacher
