

Year 2-Spring 1

Title of topic: Street Detectives

Topic focus: History and Geography

**Do not
drop litter**

This is the knowledge organiser for our topic. It includes all the learning outcomes, key facts and vocabulary. Please share this with your child to help them develop their knowledge and understanding of our topic.

Key facts

Maps include symbols, instead of words. They could be pictures or letters. A key explains what the map symbols mean.

A map is a picture or drawing that shows the location of human and physical features.

Maps use compass directions; North, South, East and West.

Key facts

Communities are made up of the people who live there. All people have similarities and differences but are equally important.

Key vocabulary:

Chronological

Settlement
Symbol

Key facts

Animals, including humans have offspring that grow into an adult.

Key facts

It is important to look after our environment. Removing litter and planting new bulbs makes the community nicer.

Key facts

The United Kingdom is made up of 4 countries each country has a capital city.

Key facts

A community can change over time. In the past, people shopped at smaller shops such as a grocer, bakery and butcher shop. Now, lots of people do their shopping online or at a supermarket.

Key facts

The human features of a settlement can be made from natural and man-made materials.
Natural materials are dug out of the ground, grown or taken from a living thing.
