

Invaders and Settlers

This curriculum map provides an overview of what your child will be learning across the curriculum this half term. Wherever possible learning will be linked to our focus topic – Invaders and Settlers.

In Year 4 as **writers** and **readers** we will be writing a fact file about Katherine Johnson (mathematician who calculated the flight path for NASA's first Apollo moon landing) using the book Counting on Katherine as inspiration.

We will be learning how to organise paragraphs around a theme and adding expanded noun phrases and fronted adverbials to our sentences.

In **science**, we will be working scientifically to find out about states of matter. We will be conducting experiments about solids, liquids and gasses.

In **mathematics**, we will be developing our understanding of Roman numerals, place value, addition and subtraction as well as extending our knowledge of multiplication tables.

In **RE**, we will explore where religious beliefs come from.

In **art**, we will be working with clay to recreate Anglo Saxon pots.

In **music**, our topics will be poetry and ancient worlds.

In **computing** lessons, we will learn about how computers link together to create networks.

In **Learning for Life** lessons, we will explore friendship and mental health.

In **French**, will be learning how to present ourselves by saying our name, age and where we live in our topic je m'presente. We will also be recapping colours, numbers and basic greetings in French.

In **DT**, we will investigate cams.

In **history** we will be studying the Anglo-Saxons and Vikings.

In **PE**, we will be developing our teamwork skills by completing some OAA activities and we will be doing some Athletics.

In **computing**, we will learn about how computers link together to create networks.
Online Safety – exploring self-image and identity.
