

# Tomorrow's World

This curriculum map provides an overview of what your child will be learning across the curriculum this half term.

As **readers** we will engage with the novel *Stormbreaker*, taking part in a variety of activities to support comprehension.

As **writers** we will be writing letters and narrative related to the book. We will be focusing on including cohesion and a range of sentences structures in our work.

As **historians** we will be learning about the history of computing.

In **D.T.**, we will be learning about significant inventors and programming technology.

As **artists** we will be exploring perspective and using this to draw landscapes.

As **mathematicians**, we will be learning about place value and consolidating our written methods for the four operations.

In **computing** we will be revisiting e-safety with a focus on cyber bullying. We will also be creating spreadsheets and exploring Kodu programming.

In **R.E.** we will be exploring the following questions: Can one person change the world? How does the Holy Spirit transform people?

As **scientists** we will learn about electrical circuits.

In **P.E.** we will focusing on Dodgeball and Athletics.

In **French** we will focus on learning the language and vocabulary of 'En famille'.
