Statement of intent

Mulbarton Primary School is a vibrant, enthusiastic, forward thinking and safe learning environment in which children are given every opportunity to complete a fulfilling primary school education.

We are also aware that children have opportunities and experiences outside of school that are equally important in developing and enriching their lives. We have given careful consideration to making home learning well-balanced across the school.

This Home Learning Policy was developed in consultation with staff members, parents, pupils and with the full agreement of the governing body.

This policy should be read alongside the Remote Learning Policy.

Aims

Mulbarton Primary School's Home Learning Policy aims to:

- Develop a consistent approach to home learning throughout the school.
- Make sure that teaching staff, parents and pupils are aware of their responsibilities with regard to home learning.
- Ensure that parents have clarity on what their child is expected to do.
- Support pupils' learning experiences via revision and reinforcement.
- Work with families and involve them in their child's learning and to keep them informed about the work their child is covering.
- Improve the quality of the learning experiences by extending it beyond the classroom.
- Give pupils further practice and deeper understanding of skills, knowledge and concepts learned during the school day.

3. Absences

- 3.1. If the child is absent from school due to illness or medical reasons, the school will not supply work for these periods as pupils should be well enough to undertake work. In some cases, there may be exceptions to this rule and the school has the right to decide whether this is acceptable or not.
- 3.2. If the child is absent for a long period of time, e.g. with a broken arm, the teacher and the parent of the child will agree on what should be done and how much help should be given to the child.

4. Pupils who fail to complete home learning

- 4.1. All pupils are expected to complete home learning on time. Teachers will keep records of pupils completing home learning which will be regularly checked. If pupils consistently fail to complete home learning, teachers will contact parents to find out why.

5. Pupils with SEND

- 5.1. The school recognises that pupils with special educational needs and disabilities (SEND) may require that specific tasks be set in the form of Pupil Passports.
- 5.2. While pupils with SEND may benefit from special tasks separate from the home learning received from other pupils, it is important that they also do as much in common with other pupils.
- 5.3. A balanced amount of the right type of home learning will be set for pupils with SEND, in consultation with the parents and send co-ordinator where deemed appropriate.

6. Equal Opportunities

- 6.1. At Mulbarton Primary School, governors and staff members are committed to providing the full range of opportunities for all pupils, regardless of gender, disability, ethnicity and social, cultural or religious background. All children have equal access and inclusive rights to the curriculum regardless of their gender, race, disability or ability.
