Dear Parent/Carer,

Welcome to our weekly newsletter which I hope you find helpful and informative.

This week, our Year 6 children have shown great resilience as they have completed their SATs. We have been very impressed with the mature and sensible approach they have all taken and all we have asked of them is that they do their best. Thank you to the staff who have supported them and also to you for getting them to bed on time and ensuring they arrive promptly in the mornings.

Our Year 2 children are also sitting 'special quizzes' this week and next. They too have shown sensible and resilient behaviour.

PE/Forest school/After school PE

I apologise that there seems to have been some confusion about what the children should wear on the days they are taking part in these activities.

To confirm, the children need plain, navy-blue or black jogging bottoms or

shorts, or leggings. They should wear the school PE t-shirt or a plain navy t-shirt covered with the school jumper if it is cold.

If the children are taking part in forest school, they need waterproof trousers and an old sweatshirt to go over their PE kit. A number of children have been coming to school in football kits and alternative sweatshirts.

If they are taking part in football club after school, they should still be in the school PE kit.

Ideally, they should wear black, plain trainers but we appreciate this isn't always possible so please avoid very bright colours.

Safeguarding

We have been asked to ensure that parents are aware of the safeguarding policies on our website. A few policies are in the process of being updated with minor, annual changes, however the majority are current.

Class Photos

Will take place Tuesday 17th May. Please send children to school in their full school uniform with a jumper. Children who have PE will not need to come in their PE kit for that day. If your child has Forest School, please send them in with a change of clothes in a bag. Thank you.

Please be aware we currently have a sickness bug circulating. Please remind your children of the importance of good hand hygiene.
