Dear Parent/Carer,

What a lovely week we have enjoyed with visitors and exciting learning.

We were able to welcome Ukrainian visitors to the school on Wednesday and listened to their story. The two ladies who visited were a headteacher and an art teacher from Ukraine. They were very impressed with our school and the behaviour of our children. They thanked the school community for the collection that we were able to send with my sister to their friends and family still in Ukraine. We were also very pleased to be able to enrol a Ukrainian refugee into one of our Year 5 classes this week. The children have been very welcoming and Roman is settling in well with us.

On Tuesday, Stuart Beard came into school to take whole class photographs and the links for these have been sent over to you. I hope you will find them a wonderful memory of your child's class.

Parents Evening - Contrary to the information that has been on the website,

there will not be a parents evening this term. Instead, the teachers will be sending out a short report outlining your child's achievements and progress this year.

Sports Day - Will be on Monday 20th June. You are invited to join us for the whole or part of the day from 10am onwards. There will be no hot dinners served on this day but you are invited to come and picnic with your child. Those children who are entitled to free lunches (not the universal infant school meal) will be given a snack pack. If you cannot attend, please send your child with a packed lunch.

Wet Play - Today we have had a very wet lunch time and unfortunately a significant number of children did not have a waterproof in school. I started to make a list of children so that I could contact you individually about this, but had to abandon the idea when my list grew to over 50 children! I am therefore writing to remind you that children should **always** have a waterproof with them. A fold away waterproof in the bottom of their bag is ideal in the summer. We will go out to play whatever the weather, unless it is dangerous.

If you need to contact us regarding extended schools, please email: extendedschools@mulbartonprimary.norfolk.sch.uk

Heading for a family day out and travelling by train? From easy ways to save money on train tickets to offers and child fare information, Trainline can help. If this is something you would find helpful, please see their [website](#).

For families that might find it useful, you can find the latest issue of the Family Voice newsletter [here](#).

Have a lovely weekend, and I look forward to seeing you all next week.

Bev Theobald
