Please visit our website for more information and to book.

EDP – Lego Tokens

The EDP have launched a new campaign for primary schools to collect daily and weekly tokens in the paper for a chance to win a voucher to spend on Lego® Education toys. The winning schools - decided by the number of tokens as a ratio to the number of pupils - will receive £1,000. Second prize will be £500, and every other school that collects more than 1,000 tokens will receive £50 to spend.

The first tokens will appear on Monday 20th February, and the final token on Saturday 29th April.
