## Newsletter 3/3/2023

### World Book Day

It was wonderful to see all the costumes, as staff and children came dressed as their favourite book characters for World Book Day on Thursday! Lots of fun for everyone to celebrate the joy of reading.

### How Hill

Barn Owls class had a lovely few days on their first residential trip to How Hill this week! They went on a boat trip, a nature trail and had lots of fun weaving and thatching. Kestrels class set off on Wednesday and we are looking forward to hearing about their adventures upon their return today.

## Collection and drop off

If your child arrives after 9:00am or leaves before 3:15pm, we will now be asking you to sign them in and out on our new iPad system in the school office. We will show you how to do this and we hope you find it quick and easy.

## Science activities

Our children love Science lessons as they love to learn about the world around them. They particularly enjoy our practical investigative sessions. Science Week this year runs from 10-19<sup>th</sup> March. We are holding Science cafes for each year group in school, but you may also like to do some Science activities at home. These links will take you to activities that you can do which use resources you may have around your home.

**Caring Together**

**Young carers in education summit**

10 March 2023 10.00am-2.00pm

Wymondham High Academy  
Folly Road  
Wymondham NR18 0QT

Join us in advance of Young Carers Action Day for a free event planned and hosted by young carers.

Hear from speakers from Norfolk County Council, a variety of Norfolk schools and other organisations talking about their work with young carers.

A great opportunity for schools and education professionals across Norfolk to network to improve the identification and support for young carers.
