NEWSLETTER

26.05.2023

We have ended up with a very strange end to this half term, as so many of us found ourselves without water this morning, and unfortunately, we had to take the decision to close today.

Thank you for your continued support over a very busy half term. Our KS1 and KS2 children have taken their SATs, we have had a wonderful summer fayre, several trips, sporting events and year group assemblies. With the weather finally turning nicer for us, we look forward to Sports Day, our dance show case, more assemblies and our exciting Creative Week all to come in the run up to the end of the school year. School will reopen on Monday 5th June. I wish you all a very warm and sunny half-term break.

PTA Summer Fayre

A huge thanks to all of you for your support with our Summer Fayre. The children's performances were such a joy to watch, and it was lovely to see you all there. Special thanks to our PTA for all their hard work in making the Fayre such a success. We raised over £3000! Thank you to Magic Parties for bringing Elsa, all the stall holders including our Year 6s who created and ran their own stalls for your enjoyment! A particular highlight was 'Sponge the Staff' which saw Mr Lawrence get rather wet!

Year 6 Dynamo Cricket

On Wednesday this week, 20 Year 6 pupils took part in a dynamo cricket tournament at Eaton Park against other schools around Norwich. Both teams performed brilliantly - with many wickets, catches as well as some 4s and 6s hit! The team spirit they showed towards one another, and the other teams was exemplary, and despite being new to dynamo cricket, it was fantastic to see their confidence grow as the day progressed. They finished in 1st and 3rd place of 6 teams in their respective leagues against some tough opposition. Well done!

Curriculum corner

Year 6 have been making hearts out of clay this week as part of their topic, Blood Heart. Here is just one great example!

Class photos

You should have received your proof card by now, as these were sent home with the children. Ordering is **online only**. Please ensure you have placed your order by Monday 5th June at the latest, to avoid any additional charges.

After school clubs

Booking is now live for our after-school clubs starting after half term. Please remember, clubs need to be booked every half term, even if your child attends regularly. We will not be running any after school clubs on the final week of term (our extended schools will run as normal).

Visit our website for more information and to book [After School Clubs – Mulbarton Primary School](#)

Household Support Fund survey

This year, the Government has given Norfolk County Council further funding to work with District and Borough councils and the voluntary sector to support people with food, fuel, and other needs. Please click the link below to complete a short, anonymous survey, to give your feedback on what difference the funding made. This information will help to shape the support offered in the future.
