### Menu change – last day of term

On Wednesday 20<sup>th</sup> December, the menu has been changed. The **main** option will now be breaded fish fingers, and the **vegetarian** option will now be garden vegetable goujons.

If you have already ordered for that day and you are happy with the change, you do not need to do anything. If you wish to change your menu choice, please email the school office. If you have not yet ordered and you would like to do so, please login to WisePay and order in the usual way before the deadline of 12pm on Friday 15<sup>th</sup> December.

### School Games Mark awards

Schools within the SSP have been recognised for their hard work by being awarded national School Games Mark awards.

The School Games Mark is a government led awards scheme which rewards and recognises a school's engagement in the School Games against a national benchmark and to celebrate keeping young people active. Participating in this process allows schools to evaluate their school sport and physical activity provision and assist them in developing an action plan for future progress.

We are thrilled to announce Mulbarton Primary School has received a Gold award!
