Tesco blue tokens

If you, or any of your family and friends shop at the Tesco on Hall Road, please help the school by collecting blue tokens at the checkout and slotting them into the box for Mulbarton Primary School. If we manage to collect the most tokens, the school will receive up to £1500! Thank you for your help with this great opportunity.

NSPCC fundraiser

On Friday 2nd February, we will be celebrating Numbers Day. There is no requirement to purchase specific clothing for this day. Numbers Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it. Children in all year groups will take part in various fun maths activities throughout the day.

Children, if they wish, are encouraged to wear an item of clothing with a number on it or get even more creative by dressing in a maths or numbers theme. The event is to help raise money for the NSPCC and you can access the just giving page here if you wish to donate.

Children's Mental Health

Children's Mental Health week runs from 5th - 11th February. Children's Mental Health Week is an opportunity to shine a spotlight on the importance of children and young people's mental health.

The theme this year is '**My Voice Matters**'. During this week, there will be wellbeing activities taking place every day in class supported by our Wellbeing Ambassadors.

To launch the week, we would like to celebrate what makes the children unique. We will be inviting the children to '**dress to express themselves**' on Monday 5th February. They can come to school in clothing that makes them feel happy, comfortable, and most importantly, themselves!

Keynote Speaker.

Information stands.

6 Workshops/Presentations.

Face-to-face "Speed-Dating" (individual) sessions with service professionals and voluntary organisations.

Free refreshments, lunch and on-site parking.
