Residential trips

Year 3 and Year 6 had a wonderful time on their residential trips. A display of photos will be set up for the Summer Fayre but here is what some children had to say about their time away:

Year 3

How Hill was the best ever. We had a wonderful time. The helpers were very kind and did lots of fun activities with us. We loved going dyke dipping. We caught a water boatman, some water snails and lots of pondweed. When we went on the boat ride, we saw an otter and some kingfishers.

The food was brilliant. We had apple crumble, sticky toffee pudding and flapjacks. The roast dinner was scrumptious, and the Yorkshire puddings were giant. We can't wait for our next school trip.

Year 6

The accommodation was amazing. We had rooms of 3, 4 and 5 bds. I had a room of 3 and it was amazing. The beds were very comfortable we had en suite bedrooms and heated floors.

The food was brilliant - you got the choice of English breakfast or cereal for breakfast (let's just say most of the children had an English breakfast). The lunch was nice, with a healthy salad bar as well. We got chips with most lunches. The dinner was great; we had pork ribs one night. They were good.

The instructors were funny. The best ones were Cha Cha and Josh. They were very good at climbing and the other activities. They made good jokes at the camp fire and they were funny.

My favourite activities were caving, rifle shooting and low ropes.

I really liked Norfolk Lakes and wish I could go back. It was a once in a lifetime opportunity. I loved how we just got to relax and unwind from school and lessons.

I would recommend this to anyone who doesn't mind getting muddy or wet but loves to have fun. Also, to anybody that loves an adventure now and then.

Red Nose Day
