

Playlist

This curriculum map provides an overview of what your child will be learning across the curriculum this half term. Wherever possible learning will be linked to our focus topic.

As **readers** we will be exploring the text 'The Iron Man' and using this as **writers** to develop skills in writing persuade.

We will be recapping on use of apostrophes, possessive pronouns, sentence structures and other grammar.

As **scientists** we will investigate how sounds are made, exploring vibrations pitch and volume.

As **geographers**, we will be using maps to build knowledge of the wider world, learning about different styles of music and where in the world they originate from.

As **mathematicians** we will be developing our understanding of **fractions and decimals**, including equivalent fractions, adding and subtracting fractions, and fractions that are more than 1 whole one.

In **online safety** we will explore online bullying and how we can manage this.

In **learning for life** we will be learning about eating healthily and health and fitness.

In **design and technology**, we will create our own musical instruments.

In **French** we will continue learning about **As tu un animal?**

In **PE** lessons we will focus of gymnastics and outdoor and adventurous activities this half term.

In **RE**, we will explore the question 'How do/have religious groups contribute to society and culture?'

As **musicians** we will be making music using instruments that we create from recycling.

In **computing** we will explore programming using Scratch.
